

## Deerfield Village Circle Landscaping Design #1

### Circle 1

**Description:**

Estimating 90 foot diameter circle. Outer ring of 20' (not shown) will be grass.

Inner ring, 50' diameter (above): Grass with a tree in the center. Current tree is a maple.

Bench can be added under the tree.

**Cost:**

No additional cost unless bench is added.

**Maintenance:**

No additional maintenance (other than current mowing) unless bench is added.

If bench is added, trimming/weed eating around bench area must be done. The mower will not be able to easily get around the bench.
